Best Community Football Club

Welcome

Good day everyone and welcome to another club fun day at Dundee West Football Club. Once again, we are here to celebrate such a fantastic event and I can't believe it's our 9th year of running at Charlotte Street let's hope the weather is better than last year!! It's been another incredible year for ourselves after being chosen as the the Best Community Club In Scotland for 2018 along with being shortlisted for Best Community Club at both the Leisure & Culture and Dundee Active School Awards. The on-going great work from our volunteers has yet again been outstanding so a massive thank you must go out to all of them for their continued hard work and commitment to the club.

In partnership, with the East Region Scottish FA, Leisure & Culture Dundee and Active Schools we have recently recruited a new full time club grow officer, Liam Ross who has come into the club to support our current Club Development Officer, Tam McCabe to support all aspects of football development at the club. We have huge ambitions to grow further as a club and build stronger links to our local schools and partners and the recent appointment only highlights our commitment and dedication to make this happen!! We aim to be more than just a football club and hope that we can now continue to provide as many members of the community to play the game but support use football as a tool to engage with our area to improve people's lives and make a difference.

Today, we have over 1000 players taking part and hope that each and every player, parent and family have a great day and enjoy the various activities and stalls that will be on throughout the day!! We would like thank everyone for all their continued hard work and support and hope you all enjoy your day!

*Best Regards,
Jim Hunter, Club President
Dundee West Football Club*
